

REAL BIBLE HEROES

Joshua

Part 2: Being Focused

With so many distractions around us, staying focused can be a real challenge! Yet, it will take focus in order for us to be successful in anything. God had asked Joshua to do the same: be focused. Let's talk more about FOCUS in "Joshua, Part 2".

(A) MATERIAL:

Read Joshua 1:7

Talk it Out

- Knowing that Joshua was full of potential and abilities, God asked Joshua to be constantly focused on his PURPOSE and not stray from God's word.
- There are many distractions and other "attractions" – but remember **whatever you focus on, grows**. If you focus on what God has led your RR to do in/for your school, it will be successful!
- How do we keep focused on the mission of Recess Revolution when there are so many other things that we can choose to do instead?

(B) MISSION:

NEXT WEEK, keeping in mind that there are many distractions/attractions present in school, try this:- Set aside a day (Recess time) to hold a *Bible Study* or *Discussion* or *Prayer* in a busy part of school i.e. Bible Study in the Canteen during recess! We trust it would be a good exercise on being focused!

(C) PRAYER:

Dear Lord, as we get through each day, help us to be focused on the mission to spread your love and your word to different ones in our school. Lord, we submit all distractions into your hands and obey your word. In Jesus name, Amen.
