Daniel Part 3: Choices

Our life is defined by what we choose to do. These choices are made based on what we believe in. Daniel made a daily choice to praise God and be faithful. His strong stands allow him to live out a great testimony. We see how Daniel's life is affected by the choices that he makes in "Daniel, Part 3"

(A) MATERIAL:

Read Daniel 1:8, 6:7 & 6:10-11, 6:22-23

Talk it Out

- Daniel had to make constant stands on doing the right thing, he didn't want to let God down. He chose the path that was right, despite it being the harder one.
- Without choosing those paths Daniel would not have emerged triumphant. He overcame multiple death threats and even escaped being eaten by lions just by choosing to hold strong to his faith.
- Daniel made daily choices to have faith despite facing so many challenges. What can we do when we're tested in order to be like Daniel?

(B) MISSION:

NEXT WEEK, choose to stand up for Jesus. Get the word out (e.g. print cards, tell a friend, say it out loud) that you love Jesus & He's your God. **Pray** for specific friends/teachers to say it to. They will need to hear it most!

(C) PRAYER:

Dear Heavenly Father, we proclaim your greatness. Thank You for preserving us all this while, we want to make a strong stand to believe in You every day. Lord, give us the strength to hold on to our faith when we are tested. In Jesus' name, Amen.
