## Elijah Part 4: Fearful

It is ironic that the Elijah being so bold for the Lord was also very fearful of death. Do you question God sometimes when you are afraid and scared and worried? In "Elijah, Part 4", we read about how Elijah flees for his life.

### (A) MATERIAL:

Read Mark 1Kings 19:9-18

### Talk it Out

- Elijah flees because Jezreel sends a messenger saying that she will kill Elijah and make him suffer.
- In the cave, Elijah still hears the word of the Lord. God knew what Elijah was doing but he still asked Elijah. What does that tell you about God?
- At the end, Elijah overcame his fear because he heard God's voice. How do you overcome your fears? What helps you?

### (B) MISSION:

It is normal to be afraid when you are threatened or feel unsafe. But God can drive those fears away.

What is something you were fearful of? **Think** of a testimony and share that with someone who doesn't not know God. **Tell** them that God is great and does not want us to live in fear.

### (C) PRAYER:

Dear Lord, thank you that you are great and can defeat everything in this whole world. God when I am afraid, I pray that I will call upon your name and ask for your help. In Jesus' name I pray, Amen.
