

REAL BIBLE HEROES

Gideon

Part 3: Just One More Time

We always like to negotiate with God. "If you do this God, I will do this for you". Be careful what you say because you would have to keep your promise. In "Gideon, Part 3", we see how God once again shows his patience with his people.

(A) MATERIAL:

Read Judges 6:28-40

Talk it Out

- Gideon goes to destroy the altar of Baal commanded by the Lord but his enemies were angry. But we see how God contends for Gideon and protects him. Gideon gains more followers.
- What are some ways that God has protected you and your Revo Group? Remember, He is on our side.
- After what had already happened, we see that Gideon still asked for 2 signs from God but God still assured him. Why you find yourself sometimes like Gideon, asking for more signs from God?

(B) MISSION:

Keep asking God to work in someone's heart today. God knows our hearts when we ask of Him. There is a person that you have been praying for recently, ask God to move in the person's heart. If God is asking you to do something, **DO IT!** Let him move in your heart too.

(C) PRAYER:

Dear Father, I wanna keep asking that you keep working in my heart. Keep building up my faith in you so that I do not negotiate with you too much. God you already know all things, let me trust in You and your promises. In Jesus' name I pray, Amen.
