Zechariah Part 4: Fulfillment

Do you get goosebumps when God fulfills the things He has spoken or shown you? God is a promise keeper and He never ceases to be consistent in fulfilling His word. In “Zechariah, Part 4”, we see how Zechariah’s faith in God brought the fulfillment of His promises in John’s life.

(A) MATERIAL:

Read Luke 1:80, 76, 3:16

Talk it Out

- Has God put words, images or even verses in your mouth before as you prayed for someone? Have you experienced someone prophesying over you?
- Zechariah spoke those words not knowing what they meant but he spoke them in faith in they were fulfilled. Share a similar experience you have had.
- As Revolutionaries, do not be afraid to ask God for words and visions for others because God will be the one fulfilling them.

(B) MISSION:

THIS WEEK, Ask God for a word for a person in your school. Share that word in faith and then ask if you can pray for them.

(C) PRAYER:

Dear Lord, I thank you Lord for all the encounters I have had with you and how you fulfill the words that have been spoken. God, help me to work in your ways so that I can continue to share your goodness to others. Speak to me as you use me as a tool to fulfill your promises in each and every one of us. In Jesus’ name I pray. Amen.
